

1998-99 Kentucky Hunting and Trapping Guide

This guide is an accurate **SUMMARY** of the laws regarding hunting and trapping and is intended solely for informational use. It is not a reprint of any referenced statute or regulation in its entirety and should not be used as such. Questions about the information contained in this guide should be directed to the Kentucky Department of Fish and Wildlife Resources (KDFWR) **BEFORE** engaging in the activities referenced. Numbers following each section of this guide refer to the pertinent Kentucky Revised Statute (KRS) or Kentucky Administrative Regulation (KAR). Complete KAR and KRS can be referenced at <http://www.lrc.state.ky.us/home.htm>. More information about Kentucky's hunting and fishing can be found at www.state.ky.us/agencies/fw/kdfwr.htm.

NOTE: This guide provides information about fall hunting and trapping seasons for all game species except migratory birds. Information regarding the SPRING TURKEY SEASON and seasons and limits for MIGRATORY BIRDS (e.g., ducks, geese, dove) may be obtained by contacting: Kentucky Department of Fish and Wildlife Resources, Division of Information & Education, #1 Game Farm Road, Frankfort, KY 40601; 1-800-858-1549.

NEW THIS YEAR!!!

All deer hunters are required to carry a **deer permit** while hunting. **Every deer hunter**, except resident landowners, tenants and their dependents hunting upon their own land, must purchase a state deer permit. **Landowners, tenants and their dependents** must obtain a free resident landowner/tenant deer permit -- see *WHITE-TAILED DEER PERMIT REQUIREMENTS* for details.

Hunters will now apply for **quota deer hunts by telephone**. There will be no paper applications -- see *QUOTA HUNTS* for information.

Early muzzle-loader season is two consecutive days beginning the **fourth** Saturday in October (Oct. 24-25, 1998) -- see *MUZZLE-LOADING WHITE-TAILED DEER SEASON* for dates.

Youth Hunt Weekend, for persons under the age of 16, runs two consecutive days beginning the **third** Saturday in October (Oct. 17-18, 1998) -- see *YOUTH WHITE-TAILED DEER HUNTING* for dates.

Bonus antlerless deer tags are available for deer hunting in Zone 1 counties and for archery hunting statewide. Bonus deer tags are also available for regular quota deer hunts on wildlife management areas -- see *WHITE-TAILED DEER HUNTING* for details.

Checking in deer is now easier than ever! Hunters can check their deer by calling a toll-free number -- see *WHITE-TAILED DEER TAGGING & CHECKING* for information.

West Kentucky now has a **bobcat season** -- see *BOBCAT HUNTING* for details.

Bowhunters, help us track wildlife! Initiated with last year's bow season, the Bowhunter Observation Program is a way for bowhunters to help the KDFWR gather important information about the state's wildlife -- see *BOWHUNTER WILDLIFE DIARY* to help.

Elk now roam through Eastern Kentucky. Make sure you don't mistake these animals for white-tailed deer. See *ELK RESTORATION* for details.

DEFINITIONS

1. **Adult:** an individual at least 18 years of age.
2. **Antlered deer:** a deer with ONE antler at least four inches long or longer is, for tagging purposes, considered an antlered deer. Measure the antler length from the skin at the base of the antler to the furthestmost tip of the antler.
3. **Antlerless deer:** a deer with no antlers or with BOTH antlers less than four inches long. Each antler should be measured individually from the skin at the base of the antler to the furthestmost tip.
4. **Any deer:** antlered or antlerless deer; either sex deer.
5. **Archery equipment:** a long bow, recurve bow or compound bow incapable of holding an arrow at full or partial draw without aid from the archer.
6. **Arrow:** the projectile fired from a bow or crossbow.
7. **Barbed broadhead:** a point or portion of a blade projecting backward from a broadhead designed to hold an arrow within an animal.
8. **Centerfire rifle:** any rifle that fires a cartridge by the firing pin striking a primer in the middle of the end of the cartridge casing.
9. **Conibear-type trap:** a commercially manufactured spring-loaded trap designed to kill the animal upon capture.
10. **Crossbow:** a bow designed or fitted to hold an arrow (or bolt) at full or partial draw without aid from the archer.
11. **Deer:** a white-tailed deer (*Odocoileus virginianus*).
12. **Deer control tags:** those tags issued by the department to landowners for distribution to legal deer hunters during the season for the sole use of controlling damage caused by deer to private property or crops.
13. **Dry-land set:** a trap not set to drown an animal upon capture.
14. **Firearm:** a breech or muzzle-loading rifle, shotgun or handgun.
15. **Foot-hold trap:** a commercially manufactured spring-loaded trap with smooth, metallic jaws designed to close upon an animal's foot.
16. **Furbearers:** mink, muskrat, beaver, raccoon, opossum, gray fox, red fox, weasels or striped skunks.
17. **Hunting:** to take or attempt to take in any manner, whether the hunter has game in possession or not.
18. **Junior:** any hunter under the age of 16.
19. **Modern gun (breech-loading firearm):** any rifle, handgun or shotgun in which the cartridge or shotshell is placed into the gun from the rear or stock end of the barrel.
20. **Muzzle-loading gun:** any rifle, shotgun or handgun in which the bullet or projectile is placed in the gun from the discharging (muzzle) end of the barrel or cylinder.
21. **Non-locking snare:** a wire, cable or string loop without a device to keep the loop from loosening.
22. **Padded trap:** commercially manufactured foot-hold trap with metal jaws padded with a soft, nonmetallic substance.
23. **Possession limit:** the maximum number of wildlife a person may hold in the field after two or more days of hunting.
24. **Private inholding:** any privately owned property completely surrounded by wildlife management area lands owned or controlled by the department.
25. **Resident:** for licensing purposes, a resident is: any person who has established permanent domicile and legal residence and has resided in Kentucky for 30 days immediately prior to application for a license; a full-time student enrolled in an educational institution for at least a six-month term; and, military service personnel on permanent assignment in Kentucky.
26. **Rimfire:** a cartridge that fires when the firing pin strikes the outer edge of the cartridge casing.
27. **Shotshell:** multiple-projectile or pelleted ammunition.
28. **Slug:** single-projectile ammunition.
29. **Small game:** squirrels, rabbits, quail or grouse.
30. **Squirrels:** gray squirrels and fox squirrels in any combination.
31. **Take:** includes pursue, shoot, hunt, wound, catch, kill, trap, snare or capture wildlife in any way and any lesser act designed to lure, attract or entice for these purposes; and to place, set, aim or use any device, animal, substance or agency which may reasonably be expected to accomplish these acts; or to attempt to do such acts or to assist any other person in the doing of or the attempt of such acts.
32. **Tenant:** any resident sharecropper, lessee, or any other person actually engaged in work upon a farm or lands **AND** residing in a dwelling on the farm or lands including noncontiguous lands, but does not include any other employee or tenant unless actually residing on the property and engaged or employed as described.
33. **Water set:** a trap set to drown an animal upon capture.
34. **Wildlife Management Area:** a tract of land: (a) controlled by the department through ownership, lease, license or cooperative agreement, and (b) containing the words "wildlife management area" or "WMA" as part of its name.
35. **Youth hunter:** see Junior.
36. **Youth quota hunter:** a quota hunt participant who has not reached his or her 16th birthday by the date of the quota hunt.
37. **Zone:** the grouping of counties or portions of counties.

GENERAL HUNTING INFORMATION

HUNTING LICENSE & PERMIT REQUIREMENTS

Hunters must carry a valid Kentucky hunting license on their person while in the field.

The only exceptions are: (1) Kentucky residents, their spouses and dependent children hunting upon their own farmlands; (2) tenants, their spouses and dependent children hunting upon farmlands where they reside and work; (3) Kentucky residents 65 years of age or older who carry proof of their age and residence; (4) Kentucky residents on military furlough of more than three days who carry identification and papers showing their furlough status; and (5) Kentucky residents who are certified totally and permanently disabled by the Federal Social Security Administration, by a state Workers Compensation Board or by the United States Railroad

Retirement Board, or Kentucky resident veterans who have a permanent 50 percent disability as the result of military-related injuries, and who carry a card issued by the department.

All hunters, except resident landowners, tenants and their dependents hunting on their own land, are required to buy deer, turkey, migratory bird and waterfowl permits.

Beginning March 1, 1999, all Kentucky residents 65 years of age and older and Kentucky residents who are certified totally and permanently disabled by the Federal Social Security Administration, by a state Workers Compensation Board or by the United States Railroad Retirement Board, or Kentucky resident veterans who have a permanent 50 percent disability as the result of military-related injuries will be required to purchase the new \$5

senior/disabled combination license and carry it while hunting or fishing. This license will include all the following state permits: deer, turkey, migratory bird, waterfowl and trout.

Hunting licenses and permits are nontransferable. A resident or nonresident hunter under 16 years old may purchase a junior hunting license. Hunters who own land in Kentucky, but reside outside the state, must purchase nonresident licenses. (301 KAR 3:028, KRS 150.170, KRS 150.175)

HUNTER EDUCATION REQUIREMENTS

All hunters required to carry a Kentucky hunting license and born on or after January 1, 1975, must carry a valid hunter education course completion card while hunting. A bowhunter not in possession of a firearm while hunting may carry a valid National Bowhunter Education Program course completion card in lieu of the hunter education course card.

Children under 10 years old may hunt without a hunter education card, but must be accompanied by an adult who shall be in position to take immediate control of the child's bow or firearm at all times while the juvenile is hunting. One adult shall not accompany more than two children at one time.

All youth drawn for quota hunts will be required to show a valid hunter education card when checking in for a hunt. Call 1-800-858-1549 for a schedule of classes. (301 KAR 2:185)

***Not available**

Annual licenses are valid through the last day of February. A five-day hunting license is valid for the period shown on the license. (301 KAR 3:022)

DISABLED HUNTER EXEMPTIONS

Persons whose physical disabilities make it impossible for them to hunt or fish by conventional methods may apply to the department for a hunting or fishing methods exemption.

The application must be accompanied by a signed physician's statement which certifies that the exemption is

necessary in order for the applicant to hunt or fish. Forms are available from the department.

Hunting methods exemptions do not grant the holder an exemption from buying a license or permit. (301 KAR 3:027)

LANDOWNER PERMISSION

A person shall not enter upon the lands of another to shoot, hunt, trap or fish, or for other wildlife-related recreational purposes, without the oral or written permission of the landowner, tenant or person who has authority to grant permission. Those who fail to obtain permission are subject to arrest and prosecution. Railroad tracks and rights-of-way are privately owned property and permission must be obtained prior to entry. (KRS 150.092)

Landowners and farmers are very important to wildlife and hunters. Please treat them and their property with respect.

HUNTER ORANGE CLOTHING REQUIREMENTS

All hunters, and persons accompanying them, hunting during a period and in a location where firearms are permitted for deer hunting, must wear solid, unbroken hunter orange color visible from all sides on the head, back and chest. Hunter orange garments must be worn as the outer coverings. **Camouflage-patterned hunter orange garments do not meet these requirements.**

Garments can be of mesh type material, as long as openings in the mesh weave are no larger than ¼-inch by any measurement. Garments may display a small portion of another color.

These hunter orange requirements do not apply to persons hunting waterfowl or those hunting at night.

(301 KAR 2:172)

It is strongly recommended that while hunting with a group, hunters maintain direct communication with one another. Unless you are absolutely sure where other members of your hunting party are, don't shoot.

SHOOTING HOURS

Shooting hours for species listed in this guide, except raccoons, opossums and frogs, are from one-half hour before sunrise until one-half hour after sunset. However, hunters may be in the field or stands before and after shooting hours.

Raccoons, opossums and frogs may be taken day or night, except during the modern gun deer season when raccoon and opossum hunting is permitted only at night.

(KRS 150.010; 301 KAR 2:251)

PROHIBITED HUNTING METHODS

No person shall discharge any firearm, bow and arrow, crossbow or other similar device from, over or cross any public roadway. (KRS 150.360)

No person shall take or attempt to take wildlife from an automobile, or other vehicle. Boats may be used except as prohibited by state or federal regulation. (KRS 150.360)

No person shall take wildlife with the aid of fire, smoke, explosives or gas. (KRS 150.365)

No person may deliberately cast the rays of a spotlight or other artificial light, with the intent to poach, into any field, pasture, woodlands or forest, whether public or private, where wildlife or domestic livestock may reasonably be expected to be located. This does not apply to the rays of headlights of vehicles engaged in a normal course of travel, to those engaged in legitimate agricultural activities or to anyone involved in activities legitimate to his business, occupation, or circumstances including lawful hunting activities, or any landowner, his immediate family or any paid employee while working on his land at that time. (KRS 150.395)

Spotlighting is one of the most common reasons private land is being

closed to hunting. The KDFWR urges all hunters to please treat landowners and their property with respect. If you want to view wildlife, do so at dusk or dawn and don't disturb landowners by using spotlights at night.

No person shall take a deer with the aid of dogs; from any type of boat; while on horseback; or when the deer is swimming. (301 KAR 2:172)

No person shall take a turkey with the aid of dogs; from any type boat; or when the turkey is roosting. (A roost is the place a turkey spends the night). (301 KAR 2:140)

CALLING DEVICES

Mechanical and electronic calls may be used to take woodchucks, coyotes, wild hogs, English sparrows and starlings during daylight hours. Mechanical and electronic calls may be used to take crows only during crow season. Hand- or mouth-operated calls may be used on all species. (301 KAR 2:251, 3:030)

TREE STANDS

On private lands, tree stands may be used with the landowner's consent.

On public lands, including Westvaco Public Hunting Areas, Daniel Boone National Forest, Reelfoot National Wildlife Refuge, Land Between the Lakes, Big South Fork National River and Recreation Area and all state-owned or -operated wildlife management areas, the use of nails, spikes, screws, wire, tree climbers or any device that injures trees is not permitted. Portable stands and tree climbers which do not injure trees may be used, but must be marked with the owner's name and address. Portable stands and tree climbers may be placed in trees no earlier than two weeks before the opening of the season and must be removed within one week after the season closes. Existing permanent tree stands may not be used.

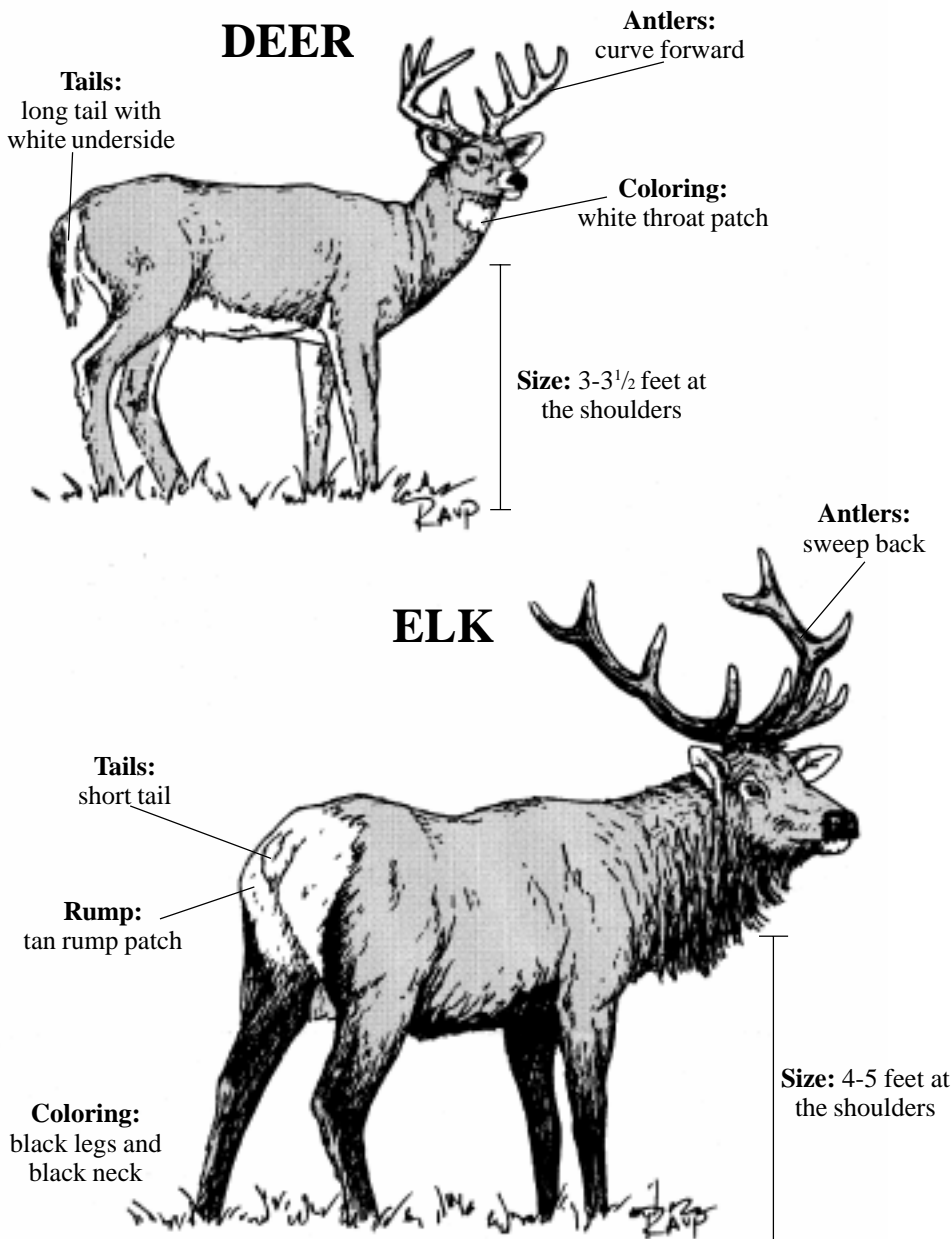

(301 KAR 2:178)

ELK RESTORATION

Elk have been reintroduced to Kentucky, and they are protected by law.

In an effort to restore some of Kentucky's natural biodiversity, the KDFWR began an aggressive program to return elk to the commonwealth. Beginning in the winter of 1997-98, the department brought in the first elk to freely roam in Kentucky since the mid-1800s. Continuing for the next nine years, the goal of the program is to establish a self-sustaining free-ranging elk herd in Eastern Kentucky.

Always be sure of your target AND beyond. Currently there is no open hunting season on elk. In Kentucky, accidentally shooting an elk will cost you a substantial fine (up to \$5,000) and loss of hunting privileges for up to three years. Watch for similarities and differences between elk and white-tailed deer.

Similarities and Differences

Coloring

Elk have a tan rump patch, black legs and black neck.

Deer have legs the same color as their bodies and a white throat patch.

Antlers

Elk antlers sweep back;

Deer antlers curve forward.

Tails

Elk have a short tail;

Deer have a long tail with a white underside.

Size

Adult elk stand 4-5 feet at the shoulders;

Adult deer stand 3-3½ feet at the shoulders.

Elk calves and whitetail does

A **5- to 6-month-old elk** will be about the same size as an **adult whitetail doe**.

DEER FAWNS vs. ELK CALVES

1. **Elk** usually give birth to just a single calf. **Deer** often give birth to twins.
2. At birth, an **elk calf** weighs anywhere from 19 to 45 pounds. A **whitetail deer fawn** usually only weighs 7 to 8 pounds at birth.
3. Both **elk calves** and **whitetail fawns** are spotted for the first few months of life.

POSSESSION OF PROTECTED WILDLIFE

Possession of protected wildlife except during an open season is illegal without a permit. A person must not hold wildlife in captivity that was not legally taken or possessed. For information call 1-800-858-1549.

YEAR-ROUND SEASON

Except during an open season for that species, no wildlife can be hunted, taken, molested or possessed. All species of mice, moles, rats, shrews, snakes (except the copperbelly water snake), lizards and terrestrial invertebrates (**except** threatened or endangered species) are unprotected species and may be taken year-round without a hunting license. Persons hunting coyotes, ground hogs, **wild hogs**, English sparrows or starlings must have a hunting license and may take these species year-round (see **WILD HOG**

HUNTING for details). During a **firearm deer season in counties open to deer hunting**, only legal deer hunters (those with an unused deer tag) may take coyotes, **wild hogs**, woodchucks, English sparrows and starlings.

All birds of prey, song birds, river otters, spotted skunks and threatened or endangered species are strictly protected by state and federal laws. (KRS 150.370; 301 KAR 3:030, 3:061)

DOG TRAINING

Hunters may pursue small game and furbearers with dogs year-round as long as game is taken only during an open hunting season, except on WMAs. All members of the party (unless license-exempt) must have a valid hunting license. Unleashed dogs are not permitted on wildlife management areas during part of the year (see **WILDLIFE MANAGEMENT AREAS**

for details). Dogs may not be used to chase or molest deer or turkeys, or used in deer or turkey hunting. Except during the season, raccoon and opossum hunters must not carry firearms, tree climbers, squealers or devices capable of killing, injuring or forcing raccoons or opossums from trees or dens. Squealers may be used during permitted field trials only. (KRS 150.370)

FIRE HAZARD SEASONS

October 1 - December 15 and February 15 - April 30 are fire hazard seasons in Kentucky. During these periods, it is illegal to start any fires within 150 feet of any woodland or brushland except between the hours of 6:00 p.m. and 6:00 a.m., prevailing local time. Willful, malicious or wanton setting of forest fires at any time is a felony punishable by fines from \$1,000 to \$10,000 and imprisonment of up to five years. (KRS 149.400)

WHITE-TAILED DEER HUNTING

Each Kentucky county open for deer hunting is assigned a particular zone number, 1 through 7. Each zone has a special set of guidelines that must be followed. County zone numbers are shown on the Kentucky map and listed on page 11.

LEGAL HUNTING EQUIPMENT

Any centerfire rifle or centerfire handgun may be used. Tracer-bullet and steel-jacketed ammunition may **NOT** be used. Fully automatic firearms capable of firing more than one round with one trigger pull may **NOT** be used. Shotguns no larger than 10 gauge may be used with slugs **ONLY**.

Buckshot or any other shotshell may **NOT** be used to hunt deer. Semi-automatic and pump action rifles or shotguns able to hold more than a total of 11 rounds (10 in magazine and one in

chamber) may **NOT** be used. Muzzle-loading shotguns no larger than 10 gauge are permitted and must be used with slugs only.

Longbows, recurve and compound bows may not have devices which hold an arrow at full or partial draw without aid from the archer. Crossbows must have a working safety device. Arrows and bolts (crossbow arrows) must be fitted with broadhead points at least 7/8-inch wide. Arrows must **NOT** be fitted with barbed broadheads. Chemically treated arrows or broadheads, or attachments (pods) containing chemicals, may not be used or possessed. (KRS 150.260; 301 KAR 2:252; 2:172)

SPECIAL NOTE: Muzzle-loading firearms which can be fired more than once before reloading are permitted, as long as the firearm meets the other

requirements as described. Using telescopic sights (scopes) on muzzle-loading firearms is permitted.

DEER PERMIT REQUIREMENTS

All deer hunters must carry a deer permit while hunting.

All deer hunters, except resident landowners, tenants and their dependents hunting on their own property, **must purchase a Kentucky deer permit** (\$21) and carry it while hunting.

Landowners, tenants and their dependents hunting on their own property **must obtain a free resident landowner/tenant deer permit and tags** and carry them while hunting. The resident landowner/tenant permit is available from any local hunting/fishing license vendor and includes two state deer permits (one **ANTLERED/**

ANTLERLESS tag and one ANTLERLESS tag) in addition to the two following bonus permits.

Holders of a statewide deer permit may purchase a **bonus antlerless archery permit (\$10)**. This permit allows the holder to take one additional antlerless deer by archery.

Holders of a statewide deer permit may purchase a **bonus antlerless Zone 1 deer permit (\$10)**. This permit allows the holder to take one additional antlerless deer in a Zone 1 county.

Hunters using any of the bonus deer tags **must carry the top portion of their regular deer permit with them while hunting**.

Junior hunting license buyers may purchase a maximum of two 1-tag junior deer permits (\$12.50 each) *or* one 2-tag deer permit (\$21). The 1-tag junior deer permit may serve as either the ANTLERED/ANTLERLESS deer or ANTLERLESS deer tag **but must be used appropriately based on deer zone and tagging requirements**.

Under each of the following headings, is information listing hunting dates, when antlerless deer may be taken and how to use the ANTLERLESS and ANTLERED/ANTLERLESS deer tags correctly for each zone during each of the deer seasons.

Remember that zone and tag-use information given for the archery and crossbow season is different from the zone and tag-use information given for the modern gun season, muzzle-loading season and youth hunt weekend. Make sure to read the section that pertains to the dates you plan to hunt. County zone numbers and tag restrictions may change each year.

MODERN GUN DEER SEASON

Zones 1-6: ten consecutive days, beginning the second Saturday in November (Nov. 14-23, 1998)

Zone 7: five consecutive days, beginning the second Saturday in November (Nov. 14-18, 1998)

When the modern gun deer season is open, any legal modern firearm, muzzle-loading firearm, archery or crossbow equipment may be used to hunt deer. However, all persons hunting deer during the modern gun deer season must abide by the zone and tag uses shown at right.

Wearing hunter orange is required for anyone hunting any species, or accompanying a hunter, while this season is open. Hunter education card requirements apply to participants in this season. Please see *HUNTER EDUCATION REQUIREMENTS* and *HUNTER ORANGE CLOTHING REQUIREMENTS* for complete details.

MODERN GUN ZONES and TAG USE		
	Tag	Dates for Use

Zone 7	ANTLERED/ANTLERLESS tag ANTLERLESS tag	November 14-18, for antlered deer only DO NOT USE in this zone

The modern gun deer season is open only November 14-18 (five days) in Zone 7. Bowhunters may continue to hunt in Zone 7 from November 19 through the end of archery season following the appropriate requirements outlined under the ARCHERY SEASON section. In Zone 7, crossbows may be used only during modern gun and muzzle-loading seasons, and November 24 - December 3, 1998.

ARCHERY/CROSSBOW DEER SEASON

Archery Season Dates:

the third Saturday in September
(Sept. 19, 1998) - January 15

Crossbow Season Dates:

ten consecutive days beginning the
fourth Tuesday in November (Nov.
24, 1998- Dec. 3, 1998)

Zone 7	ANTLERED/ANTLERLESS tag ANTLERLESS tag	for antlered deer only DO NOT USE IN THIS ZONE

Note: During portions of the season when only archery or crossbow equipment can be used, deer hunters must not carry firearms.

Legal **archery and crossbow** equipment may also be used during the

modern gun and muzzle-loading deer seasons, as long as hunters follow the zone, tagging and hunter orange restrictions for these two firearms seasons.

Bowhunter wildlife diary

Archery and crossbow hunters can help the Kentucky Department of Fish and Wildlife Resources gather important information about Kentucky's wildlife populations. See page 21 for details.

MUZZLE-LOADING DEER SEASON

Early Muzzle-loading Season Dates:

two consecutive days beginning the **fourth** Saturday in October (Oct. 24-25, 1998)

Late Muzzle-loading Season Dates:

Zone 6 & 7	ANTLERED/ANTLERLESS tag ANTLERLESS tag	for antlered deer only DO NOT USE IN THESE ZONES

Note: Hunters using muzzle-loaders during the modern gun season **MUST FOLLOW ALL MODERN GUN SEASON REGULATIONS** including

zone and tag use. Hunters must not possess modern firearms while deer hunting during muzzle-loading seasons.

Hunter Orange Clothing and Hunter Education Card requirements apply to persons participating in this season. Please read those sections for details.

YOUTH HUNT WEEKEND

Persons under the age of 16 may use firearms or archery equipment (note definition) for deer hunting during the Youth Hunt Weekend. This special season runs two consecutive days beginning the **third** Saturday in October (Oct. 17-18, 1998).

Junior hunters may take either sex deer in Zones 1-5 and antlered deer only in Zones 6-7.

Youth Hunt Weekend Zones and Tag Use

Zones 1 thru 5	ANTLERED/ANTLERLESS tag ANTLERLESS tag	for any deer for antlerless deer only
Zones 6 & 7	ANTLERED/ANTLERLESS tag ANTLERLESS tag	for antlered deer only DO NOT USE IN THESE ZONES

Persons eligible to hunt during this season:

a. Must comply with the hunter education and hunter orange clothing requirements; and,

b. Must be accompanied by an adult who shall be in a position and able to take immediate control of the junior hunter's firearm at all times while hunting.

Adults accompanying junior hunters during this season:

a. Must **NOT** carry firearms; and,
b. Must comply with the hunter orange clothing requirements.

GENERAL DEER HUNTING INFORMATION

DEER SEASON LIMIT

The season limit is **four deer per hunter** per license year, **only one of which may be an antlered deer**, provided that the hunter has purchased appropriate bonus deer permits. Deer taken with a bonus quota deer hunt tag on WMA quota hunts or on some federal area hunts do not count against this limit. (See *QUOTA HUNTS* for details.)

The ANTLERLESS TAG included with the statewide deer permit may only be used for ANTLERLESS deer. When zone regulations permit, hunters may take the season limit during a one-day period. Hunters using deer control tags may take a maximum of four antlerless deer in addition to the four-deer statewide limit.

DEER TAGGING

A hunter must immediately after taking a deer, and before moving the carcass, cut, punch or mark with permanent ink the appropriate tag portion of the permit to indicate the day and month the deer was taken.

The hunter must attach the tag portion of the permit to the carcass a) while transporting the carcass by vehicle, or b) whenever the hunter is not in physical possession of the carcass.

A resident landowner, tenant and his/her dependent(s) must have in his/her possession a free landowner/tenant deer permit while hunting on his/her own land.

A landowner, tenant and his/her dependents must immediately after taking a deer, and before moving the carcass, cut, punch or mark with permanent ink the appropriate tag portion of the permit to indicate the day and month the deer was taken.

The hunter must attach the tag portion of the permit to the carcass a) while transporting the carcass by vehicle, or b) whenever the hunter is not in physical possession of the carcass.

DEER CHECKING

All deer taken in Kentucky must be reported to the Kentucky Department of Fish and Wildlife Resources. You may check your deer by:

1. **calling toll-free 1-877-CHKGAME (1-877-245-4263) -- see details below, OR**
2. taking the deer to an open check station nearest to where the deer was taken, OR
3. having an authorized employee check the deer in the field.

Deer must be checked no later than 9 a.m. the day after the deer was taken. (Check station locations are listed by county in the back of this guide.) **Deer must be checked in by the person who harvests the deer.**

To use the tele-check system, dial 1-877-CHKGAME (1-877-245-4263) and follow the instructions. Be prepared to write down the confirmation number given by the system on the appropriate carcass tag portion of your deer permit. At check station, either fill out or provide check station operator with information necessary to complete an official game check card.

You must keep the tele-check confirmation number OR your portion of the game check card with the deer until the deer is processed.

If you plan to mount any part of the deer, you must fill out the taxidermy portion of the game check card and attach it to the portion to be mounted. **If you used the tele-check system, a valid confirmation number will substitute for the taxidermist portion of the check card.** You must **NOT** remove the head from any harvested deer until the carcass has been officially checked.

Deer taken in Kentucky must be checked before being transported outside state boundaries. Proof of legal harvest is also required for any deer or parts of deer transported into Kentucky.

YOUTH DEER HUNTING

JUNIOR DEER HUNTER REQUIREMENTS

All persons under age 16 who hunt deer with a firearm must be accompanied by an adult who shall be in a position and able to take immediate control of the junior hunter's firearm at all times while hunting.

Adults accompanying junior hunters shall not be required to possess a hunting license or deer permit if the adult is not hunting. Also see HUNTER EDUCATION REQUIREMENTS on page 4. (301 KAR 2:172)

YOUTH QUOTA HUNTS

see *QUOTA HUNTS*.

PERMIT REQUIREMENTS

A junior hunter may purchase a maximum of two junior deer permits or one regular deer permit per license year. Junior deer hunters must abide by the statewide one buck limit, as part of the two-deer limit.

Hunters not eligible to purchase a junior hunting license must purchase a two-tag deer permit.

FREE PATCHES

Learn the age of your harvested deer and receive a free deer hunter patch.

Just mail in the lower left jaw of the deer to the department. Wildlife biologists collect research information from examining deer jaws.

Pre-addressed envelopes are available from check stations or law enforcement officers.

Jaws need to be mailed by February 1, 1999. Information and patches will be sent in mid-April.

**Share the tradition --
take a kid hunting this season.**

TROPHY DEER PROGRAM

For years, Kentucky trailed many states in deer management. But now, thanks to a good quality deer management program, Kentucky has big deer. During the 1992-94 reporting period, Kentucky entered more deer in Boone & Crockett per square mile than every state and Canadian province other than Illinois.

Three things are required to produce quality deer: good food, proper genetics and age. Although food and

genetics are very important factors in producing a quality deer herd, age is the most important component since it takes a buck three years to reach his prime.

In 1976, the first year for mandatory check-in, Kentucky recorded 3,476 harvested deer. Herd growth accelerated in the 80s. A two-deer limit began in 1987. By 1989 the quality of the deer herd left much to be desired. Lots of deer were being harvested, but they were small with small racks.

Hunters blamed malnutrition, overpopulation, disease or poor genetics, but the real reason was lack of age. Kentucky had lots of healthy deer with good genetics, but they were young. The number of deer living long enough to reach their prime was very small. Less than one-fourth of the bucks were two years and older, and less than six percent were three years old.

A survey showed that a majority of deer hunters wanted quality deer even if it meant they could harvest fewer deer. Biologists determined that the quality of the deer herd would improve if more of the herd lived longer. Genetically superior bucks would naturally out-compete their unfit companions.

In 1990 Kentucky restricted rifle hunters to one buck. The following year, bowhunters received the same restriction. The two-deer limit remained in place. Kentucky hunters may buy a two-tag deer permit -- one tag is for either sex deer and one is for antlerless deer only. This gives hunters fewer excuses not to take a doe. This tagging system means a hunter can take one buck and one doe or two does, but not two bucks.

Almost immediate results were seen. The percentage of deer two and older rose to 35 percent in 1991 and 45 percent in 1992. This was a big jump from 22 percent in previous years. Since 1990 the older age percent in the harvest has stayed at about 40 percent. The percent of three-year-old deer has climbed to nearly 13. When the three-year-old buck percentage was at five percent, only one in every 20 had a chance of making record book age. That has now changed to one in every eight bucks.

Kentucky now has about 10 deer each year that qualify for Boone and Crockett, with more being added to past years as they are discovered.

Any deer that score 155 or above in the Boone and Crockett scoring system or 125 and above in the Pope and Young system may qualify for Kentucky's trophy deer list. Only legal deer taken in Kentucky are eligible.

Hunters who think their deer may qualify for the state trophy list, or who would like to know Kentucky's listings in the Pope & Young (bow) or Boone & Crockett (bow or gun) clubs, should contact the Department of Fish and Wildlife Resources at 1-800-858-1549.

QUOTA DEER HUNTS

NEW THIS YEAR!!!

This year the application procedure will be BY TELEPHONE ONLY. The toll-free number is 1-877-86U-HUNT. There will be no paper applications for quota hunts. Applications will be accepted August 1-31.

Hunters drawn for quota hunts have the choice of using either the appropriate tag from their Kentucky deer permit or a bonus WMA quota hunt tag (available for \$10 wherever Kentucky hunting licenses and deer permits are sold) on quota deer hunts.

Those applying for quota hunts can now list first and second hunt choices.

Hunters that apply, but are not selected, will receive preference points that will increase their odds of being drawn for a quota hunt in 1999.

HOW AND WHEN TO APPLY

Before calling to apply, have pencil or pen and paper, your Social Security number (and the numbers for up to three other companions if you are applying to hunt as a party), and if you'll be paying the \$3 processing fee (for **each** application) by major credit card, your Visa or MasterCard on hand.

TO APPLY, from a **touch-tone** telephone, call **1-877-86U-HUNT** (1-877-868-4868). This is a toll-free call. This line will only be activated August 1-31. Calls will not be answered before or after the application period.

Your call will be taken by an answering machine-type system that will give instructions and record your information.

It should take less than five minutes to apply. At the end of the call you will be given a **confirmation number**. Make sure you write down this number.

DO NOT LOSE THIS NUMBER --

you will need it to find out whether you were selected to hunt. The Department of Fish and Wildlife Resources **CAN-NOT** replace or look up your number if you lose it.

TO FIND OUT IF YOU WERE DRAWN, call **1-877-86U-HUNT after September 15**. You can also find out if you were drawn by visiting the KDFWR web site at www.state.ky.us/agencies/fw/kdfr.htm and checking the lists of confirmation numbers of those drawn.

If you are selected for a quota hunt, and want a map of the area prior to the hunt, call 1-800-858-1549 or (502)564-4336 to request it. Hunt maps will also be available at the areas when hunters check in for quota hunts. Special instructions for quota hunts appear on the next three pages and in the *WILDLIFE MANAGEMENT AREAS* section of this guide.

GENERAL QUOTA HUNT INFORMATION

Any legal deer hunting equipment is permitted for quota hunts -- hunter's choice -- unless otherwise stated under the area listing.

All quota hunters must check in at the beginning and out at the completion of each hunt, unless otherwise noted in the WMA section of this guide. Hunters participating in a quota hunt may use a statewide deer tag or a **bonus WMA deer tag (\$10)**. Hunters must show proof of having bought a statewide deer permit before buying a bonus WMA tag. The bonus tag must be purchased in advance from any hunting/fishing license vendor -- the tag is not available at WMAs.

All quota hunters must comply with the hunter orange clothing requirement. During all quota hunts, only persons drawn for the quota hunt will be

allowed to enter a WMA, except to use established public roads or areas designated open by signs. Waterfowl hunting may be posted open on some areas.

Owners of private inholdings (lands completely surrounded by WMA boundaries), or their guests, may hunt on the owner's lands during scheduled quota hunts without following the standard application procedure, but must follow all other quota hunt rules. Private inholdings are open only during the hunts and under the regulations for the WMA in which they lie. Owners of private inholdings or their guests may travel within the owner's lands, but may not enter the WMA except as described above.

Youths that will not have reached their 16th birthday by the hunt date may apply for a Youth Quota Hunt or a

regular quota hunt. An adult accompanying a youth on a Youth Hunt does not apply for that hunt, only the child is to apply. Youth hunters (age 15 and under) may choose both a first choice and second choice quota hunt. **NOTE:** New this year -- youth hunters may be drawn for only **one** quota hunt.

All youth hunters must show their hunter education card when checking in for a hunt. Call 1-800-858-1549 for a schedule of classes.

The KDFWR handles the application and drawing process only for WMAs it owns or operates. Drawings for quota hunts on areas not owned or operated by the department are conducted by the governing agencies of those lands. To apply for hunts on these areas, contact those areas directly as noted on page 36.

Special Instructions for Quota Hunts

1. If you would like to receive a map of the area prior to checking in to hunt, call 1-800-858-1549 or (502)564-4336 to request it. Check station locations are shown on these maps. (Maps for Grayson and Taylorsville are available at check-in.)
2. Only the person(s) successfully drawn for quota hunts may hunt in them - SUBSTITUTIONS ARE NOT ALLOWED.
3. At check-in, hunters will be asked to show a valid Kentucky hunting license (unless exempt) and a valid Kentucky deer permit, or the signature/receipt portion of the permit. Hunters must also present the same proof of identification as they used when they applied for the hunt. (A driver's license or social security card is the best evidence.)
4. Youths taking part in youth quota hunts or the Youth Weekend Open Hunt must not have reached their 16th birthday by the date of the hunt, and must present their Hunter Education Card at check-in. Also, there can be no more than two youth hunters per adult guardian.
5. Any legal deer hunting method may be used during these hunts, and all laws that govern the regular statewide modern gun deer hunting season will be in effect during the hunts.
6. Hunters selected for quota hunts may use either the appropriate tag from their Kentucky deer permit or a bonus WMA quota hunt tag (available for \$10 wherever Kentucky hunting licenses and deer permits are sold).
7. Scouting and setting up tree stands is permitted prior to hunts anytime these areas are open, except on the Ballard area where it must be completed before the site closes at noon on October 15. Portable tree stands and climbing devices that do not injure trees may be used. Firearms or bows may not be carried afield while scouting or setting up tree stands. Neither Kentucky Fish & Wildlife nor State Parks is responsible for lost or damaged stands. No stand shall be left unattended for more than a 24-hour period, and all stands must be removed at the end of the hunt.
8. Vehicles are permitted only on maintained roads. Parked vehicles must not block access through gates and must not interfere with normal traffic. Access beyond closed gates is by foot travel only. Neither ATVs nor horses may be used.
9. Hunters are required to get permission from private landowners before crossing their property to access any of these quota hunt areas, or to retrieve downed deer. Obtain and study a hunt map carefully to familiarize yourself with areas open to hunting. Respect the property rights of adjacent landowners and do not trespass.

Yellowbank WMA Youth Weekend Open Deer Hunt (Oct. 17-18) and the **Ballard Youth** (Oct. 17-18), **Ballard** (Oct. 24-25), **Dewey Lake** (Dec. 5-6), **Higginson-Henry** (Dec. 5-6) and **Pennyrile-Tradewater** (Nov. 7-8) **WMA Quota Deer Hunts**

1. Those participating in the Ballard, Higginson-Henry and Pennyrile-Tradewater Quota Hunts are required to check in and out each day. Hunters taking part in the Yellowbank Youth Weekend Open Hunt and the Dewey Lake Quota Hunt, are only required to check in before they begin hunting and check out either upon completion of their hunt, or by end of the two-day hunt period (whichever comes first).

Check Station Hours are as follows (all times are local):

	Friday	Saturday	Sunday
Ballard	Closed	4:30 am - 6 pm	5 am - 6 pm
Dewey Lake	Noon - 8 pm	4:30 am - 8 pm	8 am - 8pm
Higginson-Henry	Closed	4 am - 8 pm	4 am - 8 pm
Pennyrile-Tradewater	Noon - 7 pm	4:30 am - 6 pm	4:30 am - 6 pm
Yellowbank	4 pm - 7 pm	4:30 am - 6:30 pm	5:30 am - 8 pm

2. The limit for these hunts is one deer per hunter. At check-in, hunters will take part in a random drawing to determine

whether they can take either sex deer or antlerless deer only. Youths taking part in the Yellowbank Open Hunt must use either a junior deer permit or the appropriate tag from a Kentucky deer permit. Hunters drawn for the Ballard and Higginson-Henry quota hunts will be assigned an area in which to hunt. These tracts are marked on the hunt maps for these two sites. After September 30, those selected for these hunts can find out about their tract assignment by phoning the Department of Fish & Wildlife and providing their confirmation number to the receptionist. Tract assignments and the sex of deer that may be harvested are final -- SUBSTITUTIONS ARE NOT ALLOWED.

Kentucky River (Nov. 14-18; Nov. 19-23), **Lapland** (Nov. 14-18; Nov. 19-23), **Lloyd & Mullins** (Nov. 14-18; Nov. 19-23), **Mud Camp Creek** (Nov. 14-18; Nov. 19-23), **Peabody** (Nov. 14-18), **Tarter** (Nov. 14-18; Nov. 19-23) and **White City** (Nov. 14-18; Nov. 19-23) **WMA Quota Deer Hunts**

1. All hunters selected for the Peabody hunt, except those under age 16, must purchase a user permit (\$10) and sign a waiver form before hunting. Those under 16 must only sign a waiver form. User permits and waiver forms are avail-

able where Kentucky hunting licenses and deer permits are sold. A map of the Peabody area is included with the user permit. Hunting is allowed only on areas shown on this map.

2. Hunters drawn for these quota hunts are not required to check in or out, but must check harvested deer either at the nearest open check station or by calling (toll-free) 1-877-CHK-GAME (1-877-245-4263) from any touch-tone phone.
3. Although there is no check-in/out for these hunts, hunters may be checked at any time while on the area, so they must carry a valid Kentucky hunting license (unless exempt) and a valid Kentucky deer permit, or the signature/receipt portion thereof. Hunters must also present the same proof of identification as they used when they applied for the hunt. (A driver's license or social security card is the best evidence.)
4. The limit for these hunts is one deer per hunter. Quota deer hunting on Peabody and White City areas is under Zone 1 harvest regulations. Zone 3 regulations apply to Lloyd & Mullins, Kentucky River and Lapland hunts. Zone 4 regulations apply to Mud Camp Creek and Tarter hunts. Consult the *MODERN GUN DEER HUNTING* section of this guide for a description of the deer zone rules.

Barren River Lake WMA Quota Hunt (Jan. 5-6), Dale Hollow Lake (Jan. 5-6; Jan. 12-13), Grayson Lake (Dec. 5-6), Greenbo Lake (Jan. 5-6), Lake Cumberland (Jan. 5-6), and Taylorsville Lake (Dec. 5-6) State Park Quota Deer Hunts

1. Those participating in the Barren River Lake, Dale Hollow Lake, Grayson Lake, Greenbo Lake and Lake Cumberland State Park Hunts are required to check in and out each day. Hunters taking part in the Taylorsville Lake State Park Hunt are only required to check in before they begin hunting and check out either upon completion of their hunt, or by the end of the two-day hunt period (whichever comes first).

Check Station Hours are as follows (all times are local):

	Day before hunt	First day of hunt	Final day of hunt
Barren River	4 pm - 10 pm	4 am - 8 pm	5 am - 8 pm
Dale Hollow	4 pm - 10 pm	4 am - 8 pm	5 am - 8 pm
Grayson	Closed	6 am - 6 pm	6 am - 6 pm
Greenbo	Closed	6 am - 6 pm	6 am - 6 pm
Lake Cumberland	4 pm - 10 pm	4 am - 8 pm	5 am - 8 pm
Taylorsville	4 pm - 7 pm	4:30am-8:30pm	5:30am-8:30pm

2. The limit for these hunts is one deer per hunter. Hunters may take either sex deer.
3. To better spread hunting pressure over these parks, and to make getting harvested deer out of the woods easier, hunters are encouraged to use boats to access more remote portions of these areas. State Park boat ramps will be open for use during these hunts.
4. Areas within these parks that are off limits to hunting (such as lodges, campgrounds, employees' residences, maintenance compounds, ranger stations, water treatment plants, picnic areas, and marinas/boat ramps) are marked with signs and/or flagging tape. Additionally, there is to be no hunting in open fields or within 100 feet of maintained roads. Hunters must also have their firearms unloaded and cased when not in legal hunting areas.

Clay (Nov. 7-8), Dewey Lake Youth (Nov. 7-8), Grayson Lake Youth (Nov. 7-8 and Dec. 5-6), Kleber (Dec. 5-6), Obion Creek (Nov. 7-8), Paintsville Lake (Nov. 7-8), Taylorsville Lake (Nov. 7-8 and Dec. 5-6), West Kentucky Youth (Nov. 7-8) and West Kentucky (Nov. 21-22 and Dec. 12-13) WMA, West Kentucky National Guard Training Unit (Nov. 7-8) and Zilpo-Twin Knobs Campgrounds (Dec. 12) Quota Deer Hunts

1. Hunters participating in the Clay, Grayson Lake Youth, West Kentucky Youth (and West Kentucky) and West Kentucky National Guard Training Unit Quota Hunts are required to check in and out each day. Those taking part in the Dewey Lake Youth, Kleber, Obion Creek, Paintsville Lake, Taylorsville Lake and Zilpo-Twin Knobs Campgrounds hunts are only required to check in before they begin hunting and check out either upon completion of their hunt, or by the end of the hunt period (whichever comes first).

Zilpo/Twin Knobs	Closed	6 am - 7 pm	6 am - 7 pm

2. Portions of Grayson Lake and Taylorsville Lake State Parks will be open to selected hunters drawn for the December Grayson Lake Youth and Taylorsville Lake Quota Hunts. Eligibility to hunt these parks will be determined by a random drawing among those chosen for the December Grayson and Taylorsville hunts. Hunters will be notified of drawing results at check-in.
 3. Those drawn for the Obion Creek Quota Hunt, who are interested in hunting the Mathis Tract of that area, must be present for an on-site, random drawing. That drawing will be held at the Wallace Tract parking lot at 4 pm local time on November 6. Hunters drawn to hunt the Mathis Tract on November 7, may hunt it all that day. Those not chosen may only hunt the Schaaf or Wallace tracts on November 7. However, there are no restrictions on November 8, those selected for the Obion Creek Quota Hunt may hunt any of this site's three tracts.
 4. The Zilpo-Twin Knobs Campgrounds quota hunt is limited to persons that are movement-disabled (at check-in, they must be able to provide verification of disability). Each hunter will be permitted to be accompanied by one individual who may not hunt, but may assist the hunter with retrieval and field dressing of downed deer, etc. Hunters will be assigned randomly to Zilpo or Twin Knobs campground. After September 30, hunters can find out about their assignment by phoning the department and providing their confirmation number to the receptionist. Assignments are final -- NO SUBSTITUTIONS ARE ALLOWED. All hunters will be escorted to designated stand locations from which they will be required to hunt. Hunting can only be done from these locations unless otherwise informed by hunt personnel. Hunter stand locations will be assigned by random drawing at check-in.
 5. Only that portion of the Grayson Lake area west of Route 1496, and east of a line formed by Bruin Creek, the Bruin Creek Fork of Grayson Lake, and Grayson Lake north of the Bruin Creek Fork is open for the Youth Quota Deer Hunts.
 6. Tracts 1, 2, 3, 4, 5 and 6 are the only portions of the West Kentucky WMA are open for deer hunting during quota hunts on this site.
 7. The limit for these hunts is one deer per hunter. Hunters may take either sex deer.
 8. Shotguns and slug ammunition are the only hunting method allowed on the West Kentucky National Guard Training Site and on all West Kentucky WMA quota hunts.
 9. Due to military training operations, pre-hunt scouting is not allowed on the West Kentucky National Guard Training Site. Due to the special nature of the hunt at Zilpo and Twin Knobs Campgrounds, scouting is not permitted on these sites.
- BEAVER CREEK (Nov. 7-8), FISHTRAP LAKE (Nov. 28-29), GREEN RIVER LAKE (Dec. 5-6), AND MILL CREEK (Nov. 7-8) WMA QUOTA DEER HUNTS**
1. Hunters participating in these quota hunts are only required to check in before they begin hunting and check out either upon completion of their hunt, or by end of the two-day hunt period (whichever comes first).
 2. The limit for these hunts is one deer per hunter, but only antlered deer are legal game on them.
- Check Station Hours** are as follows (all times are local):
- | | Friday | Saturday | Sunday |

The daily limit for grouse is 4; possession limit is 8.

Hunter orange is required during deer firearm seasons.

Grouse Zone

SMALL GAME HUNTER COOPERATOR PROGRAM

By participating in the cooperator program, small game hunters can help the Kentucky Department of Fish and Wildlife Resources gather valuable data about the state's small game populations.

One way to participate is to keep a daily hunting diary. Information provided by hunters will aid in making wildlife management decisions in the future. Report forms are available for rabbit, quail, grouse and squirrel hunting. Hunters can also help by sending in one wing from each bobwhite quail and one wing and rump feathers from each grouse they take.

Forms are available from state Wildlife & Boating Officers or by calling the Department of Fish and Wildlife Resources at 1-800-858-1549.

RACCOON & OPOSSUM HUNTING SEASON (NO TRAPPING ALLOWED):

November 1 through noon on the day after a county's modern gun deer season closes

During a county's modern gun deer season, raccoon and opossum hunters may not hunt during daylight hours or carry firearms other than .22-caliber rimfire while hunting at night. No trapping is allowed during this season. Hunter orange is required during deer firearm seasons.

The daily hunting limit is one raccoon per hunter, from noon to noon. There is no limit on opossums. Raccoons and opossums may not be taken with the aid of lights from a boat except by trapping.

FURBEARER HUNTING & TRAPPING SEASON

(including raccoon and opossum):

noon, the day after a county's modern gun deer season closes through noon, February 1

The daily hunting limit is one raccoon per hunter, from noon to noon. There are no limits on trapping raccoons. There are no limits on other furbearers.

EXTENDED BEAVER HUNTING & TRAPPING SEASON:

February 1 through the end of February

Trappers must use water sets. The following traps are permitted:

- 1) No. 3 or larger smooth-jawed foothold traps;
- 2) Padded foothold traps having a jaw spread of 5½ inches or larger;
- 3) Conibear-type traps having a jaw spread of eight inches or larger; or
- 4) Snares.

There is no limit on beavers.

All other trapping regulations apply.

GENERAL TRAPPING INFORMATION

TRAPPING LICENSE REQUIREMENTS

A trapping license is required of all trappers, regardless of age, residency or physical condition. Resident landowners, tenants and members of their immediate families trapping on their own property must possess a valid trapping license. Trapping licenses are available from hunting license agents across the state. (KRS 150.170, 150.010, 301 KAR 3:028)

BUYING AND SELLING FURS & HIDES

The raw furs of furbearers may be held by a trapper or hunter for 20 days and by a fur buyer for 30 days after the season closes.

Raw furs (including hides from legally harvested deer) may be sold only to licensed taxidermists, licensed fur buyers or licensed fur processors. Wildlife carcasses (except certain species produced by licensed propagators) may not be bought or sold. Inedible parts of wildlife (including the feet or other inedible parts of legally taken deer) and wildlife mounts may be sold to or purchased from licensed taxidermists only.

River otters and spotted skunks are protected year-round and may not be taken or possessed. (KRS 150.370, 150.180, 150.411; 301 KAR 2:080, 2:240, 2:251, 3:030, 4:090)

LEGAL TRAPPING EQUIPMENT & RUNNING THE TRAP LINE

Dry-land sets are limited to Number 2 or smaller smooth-jawed foothold traps, padded foothold traps having a jaw spread of six inches or less, Number 220 or smaller Conibear-type traps or snares without self-locking devices. Deadfalls, wire cages and box traps are also permitted. Any trap may be used for water sets, except during the extended beaver season. Trappers may use lights from boats or vehicles.

All traps must bear a metal tag giving the name and address of the trapper. Any trap without a tag can be immediately confiscated without a court order.

All traps must be visited at least once a day (every 24 hours) and all animals removed. Traps set on land must be at least 10 feet apart and not be set in trails or paths commonly used by humans or domestic animals. (KRS 150.399, 150.410; 301 KAR 2:251)

BOBCAT HUNTING

Bobcats may be taken by hunting or calling during daylight hours or by trapping. Callers may only use hand- or mouth-operated calls. **The season limit is two bobcats per person.**

It is illegal to possess a live bobcat anywhere in the state, except by special permit for educational or scientific reasons.

Should it be determined that the bobcat quotas of 400 in Eastern Kentucky and 300 in Western Kentucky will be filled prior to January 31, the bobcat hunting and trapping season will be closed early in that zone. Notice will be given a minimum of 24 hours in advance of the time and date of closing.

The hunter or trapper must make arrangements for tagging by contacting a department wildlife biologist or law enforcement officer within the bobcat harvest zones. Call 1-800-858-1549 for a list of wildlife biologists and law enforcement officers in the bobcat harvest zones.

A bobcat must be tagged within 48 hours of harvest. The appropriate license (hunting or trapping) for the method of taking must be presented to the tagging agent. The taker must present the entire skinned bobcat carcass and the raw fur, or the complete unskinned carcass if it is to be mounted or otherwise processed. The tag must be left attached to the pelt until the raw fur is processed. Any illegally taken bobcat or untagged bobcat pelt for which there is no carcass may be seized. (301 KAR 2:081, 2:240)

Bobcat hunting and trapping are also permitted at Land Between the Lakes (LBL) National Recreation Area; for specific requirements contact: LBL, Golden Pond, KY 42231; phone (502)924-2065.

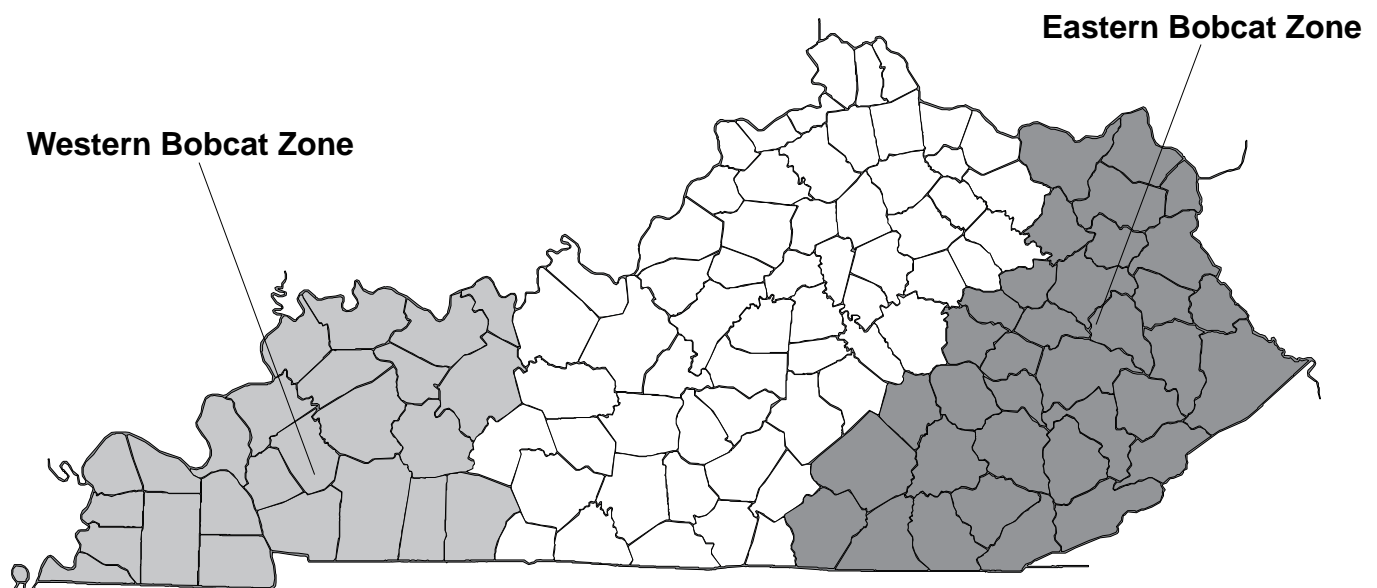

WESTERN BOBCAT ZONE:

November 24 - January 31, in the following counties only: Ballard, Caldwell, Calloway, Carlisle, Christian, Crittenden, Daviess, Fulton, Graves, Hancock, Henderson, Hickman, Hopkins, Livingston, Logan, Lyon, Marshall, McCracken, McLean, Muhlenberg, Ohio, Todd, Trigg, Union and Webster.

EASTERN BOBACT ZONE:

November 19 - January 31, in the following counties only: Bell, Estill, Harlan, Leslie, Letcher, McCreary, Owsley, Perry, Pike and Rockcastle.

November 24 - January 31, in the following counties only: Boyd, Breathitt, Carter, Clay, Elliott, Floyd, Greenup, Jackson, Johnson, Knott, Knox, Laurel, Lawrence, Lee, Lewis, Magoffin, Martin, Menifee, Morgan, Powell, Pulaski, Rowan, Wayne, Whitley and Wolfe.

WILD HOG HUNTING

Wild hogs may be taken year-round in all counties **except McCreary County** by legal hunters.

A wild hog hunter must have a valid hunting license, and a deer permit if hunting with a firearm during deer season or at a WMA hunt where firearms are allowed for deer hunting.

In **McCreary County**, wild hogs may be taken during an open deer season using legal deer hunting methods and from the end of archery deer season through the last day of February (Jan. 16 - Feb. 28).

There is no bag limit on wild hogs. Wild hogs do not have to be tagged or checked. (301 KAR 2:172)

FALCONRY SEASON:

September 1 - February 15

The limit for this hunting method is two of any small game or furbearer species per falconer, except during the regular season when the limits are the same as for other methods. Falconers must possess a falconry permit, as well as a valid Kentucky hunting license, and obey all applicable state and federal laws. (301 KAR 2:195, 2:251)

CROW SEASON:

**September 1 - November 7
January 5 - February 28**

There is no daily or possession limit on crows.

Crows observed committing or about to commit acts of depredation may be taken year-round; however, persons attempting to take depredating crows shall not use blinds, decoys, calls or other lures to attract birds into shooting range during the closed season. (301 KAR 2:260)

BULLFROG SEASON:

noon on the third Friday in May (May 15, 1998) - October 31

The daily limit (noon to noon) is 15; possession is 30.

If frogs are taken by gun or bow and arrow, a hunting license is required. If taken by pole and line, a fishing license is required. If frogs are taken by gig or by hand, either a hunting or fishing license is valid. It is illegal to possess a gig on a stream or lake, or in a boat from November 1 through January 31. (301 KAR 1:082)

FALL TURKEY HUNTING

The **daily limit** for turkey hunting is one bird per day.

FALL ARCHERY-ONLY (open in all counties)

third Saturday in September (Sept. 19, 1998) - December 31, except closed during a county's modern gun deer season

Bag limit: 2 turkeys, either sex

LEGAL HUNTING EQUIPMENT

During the **fall archery-only turkey season**, only longbows, recurve and compound bows which do not have devices to hold an arrow at full or partial draw without human aid may be used. Only barbed arrows with broadhead points at least 7/8-inch wide are permitted. No chemically treated arrows or chemical "pods" are allowed.

FALL GUN (open only in 42 counties listed below)

five consecutive days beginning on the Wednesday closest to December 1 (Dec. 2-6, 1998)

Bag limit: 1 bird, either sex

The fall gun turkey season is open only in the following counties: Adair, Anderson, Allen, Barren, Boone, Bracken, Bullitt, Butler, Caldwell, Carroll, Christian, Crittenden, Cumberland, Edmonson, Franklin, Gallatin, Grant, Grayson, Green, Hardin, Harrison, Hart, Henry, Hopkins, Larue, Logan, Marion, Mason, Metcalfe, Muhlenberg, Nelson, Ohio, Owen, Pendleton, Robertson, Shelby, Spencer, Taylor, Todd, Trimble, Warren and Washington.

LEGAL HUNTING EQUIPMENT

During the **fall gun turkey season**, shotguns no larger than 10 gauge or no smaller than 20 gauge may be used or possessed. (Special firearms requirements may apply to some WMAs.) Only Number 4 shot or smaller is permitted. Hunters may not possess shot larger than Number 4 or slugs while turkey hunting. Guns must be plugged to hold no more than three shells.

Turkeys may **NOT** be taken over a baited area or by aid of baiting.

Crossbows are not legal for turkey hunting.

Bowhunter wildlife diary

Archery and crossbow hunters can help the Kentucky Department of Fish and Wildlife Resources gather important information about the state's wildlife populations. Just use this form to keep track of the hours spent hunting and the types and numbers of animals seen while hunting. The information will be used to develop a county-by-county wildlife database.

Instructions

1. Carefully remove this observation record form from your hunting guide and post it in a convenient spot where you'll see it when you return from hunting. For example, your refrigerator door, mud room, garage entrance, vehicle.
2. For the appropriate date, enter the **NUMBER OF HOURS HUNTED** in the morning (AM), afternoon (PM) or both if you hunted both morning and afternoon (see example).
3. List the **COUNTY** where you hunted. If you hunted in different locations in the morning and afternoon, record the counties you hunted each half of the day (see example).
4. If you saw no animals while hunting, simply check **NONE SEEN** (see example).
5. If you observed any of the species listed, enter the **NUMBER OF ANIMALS SEEN** under the animal's name (see example). Do not record second or third sightings of the same animal on the same hunt as more than one animal sighted, but, if you see what you feel is the same animal on different hunts, record it for each hunt.
6. If you see other unlisted species, you may enter their names and number under the **OTHER** column (see example).
7. Use the **NOTES** section to record information such as weather, animal behavior, etc.
8. At the end of the survey period, or when you finish hunting for the season, mail the record form to: **Deer Program, Kentucky Department of Fish and Wildlife Resources, #1 Game Farm Road, Frankfort, KY 40601**. Simply fold this form on the dotted lines so the pre-printed address on the outside and tape the form. Don't forget to put a postage stamp on it.
9. If you would like your record form returned to you for future reference, provide your name and address below.

TURKEY PERMIT REQUIREMENTS

All turkey hunters, except resident landowners, tenants and their dependants hunting upon their own land, must purchase and carry with them while hunting the appropriate fall turkey hunting permit(s) -- either the **fall archery turkey permit (\$10)** or the **fall gun turkey permit (\$10)**. Any tags left over from the spring turkey season are **not** valid for the fall seasons.

TURKEY TAGGING

A hunter required to have a turkey permit must immediately after taking a turkey, and before moving the carcass, cut, punch or mark with permanent ink the appropriate turkey permit to indicate the day and month the turkey was taken. The hunter must attach the tag portion of the permit to the carcass a) while transporting the carcass by vehicle, or b) whenever the hunter is not in physical possession of the carcass.

A landowner, tenant or his/her dependent(s) must tag a turkey by:

- a. writing on a card his/her name, address, the date when, and the county where, the turkey was taken;
- b. attaching the card to the carcass when he/she removes the turkey from the property where it was taken.

TURKEY CHECKING

All harvested turkeys must be checked at the nearest open check station or by an authorized employee of the Department of Fish and Wildlife Resources:

- a) during the fall gun season, on the day the bird is taken, except as specified on certain wildlife management areas;
- b) during the fall archery season, by 9 a.m. the day after the bird is taken.

Harvested turkeys may not be checked by telephone.

At the check station, either fill out, or provide the check station operator with the information necessary to complete an official game check card. The hunter must keep his/her portion of the game check card in his/her possession until the turkey is processed. A completed state, LBL or Fort Campbell game check card must be attached -- and remain attached -- to any turkey taken to a taxidermist. Turkeys must be checked before being transported out of Kentucky.

For more details on turkey hunting, closed areas, weapons restrictions, etc., please refer to the current Kentucky Turkey Hunting Guide.

WILDLIFE MANAGEMENT AREAS

KDFWR-owned or -managed Wildlife Management Areas (WMAs) (listed alphabetically)

On the following public areas:

1. For species listed in this guide, hunting is permitted only as stated. (If a season is open under statewide regulations, please refer to the appropriate section of this guide for dates and requirements.)
2. Hunters may take the **statewide deer limit** on the following public areas: Ballard Hunting Unit; Barlow Bottoms WMA; Peal Tract; Barren River WMA; Big South Fork National River & Recreation Area; Dale Hollow Lake WMA; Fleming WMA; Lake Cumberland WMA; Nolin Lake WMA; Ohio River Islands WMA, except for Stewart Island (aka Birdsville Island) where only one deer may be taken; Pioneer Weapons WMA; Sloughs WMA; Westvaco-Columbus Bottoms WMA; Westvaco Public Hunting Areas; Yatesville WMA; and Yellowbank WMA, except during the Youth Hunt Weekend. **Only two deer** may be taken per hunter on the following WMAs: Dewey Lake, Higginson-Henry and West Kentucky. **Only one deer** may be taken per hunter on all other WMAs listed in the following section.
3. Statewide crossbow deer season is closed, unless otherwise stated in the area listing.
4. No squirrel, rabbit, quail, grouse, furbearer or turkey hunting or trapping is permitted on these WMAs when modern guns can be used for deer hunting.
5. During a quota deer hunt on a WMA, only persons drawn for the quota deer hunt are allowed to be on that WMA, except waterfowl hunters hunting in some areas that are posted open. Hunters participating in a quota hunt may use a statewide deer tag or a **bonus WMA deer tag (see page 13)**.
6. Quota hunts require advance application. Advance application is **not** required for hunts listed as *Open Archery Hunts* or *Open Gun Hunts*. During *Open Gun Hunts*, any legal deer hunting equipment is permitted.
7. Persons must not allow their dogs to be unleashed from March 1 until the opening of squirrel season (Aug. 15), except during the June squirrel season or as stated under the area listing or posted on the WMA.
8. Camping is permitted only in designated areas. Parking must be confined to designated parking areas if such areas exist. If no parking area is designated, parking is generally permitted alongside of maintained roads in such a manner that would not block traffic. Vehicles of any kind (including motorcycles and bicycles) are permitted only on maintained roads. Vehicles used on public roads must be street-legal. It is unlawful to cut trees or fences, dump trash or litter, or damage any property or habitat in any fashion.
9. Areas may be closed as marked by signs.
